

# **CALIFORNIA STATE LANDS COMMISSION**

**MARINE FACILITIES DIVISION**

**NORTHERN CALIFORNIA FIELD OFFICE**

## **CUSTOMER SERVICE MEETING PRESENTATIONS**

**Held on Wednesday, March 30<sup>th</sup> 2011**

### **AT THE SHELL REFINERY CLUBHOUSE**

---

#### **Building Bridges, Not Walls: The Army Corps of Engineers**

*A key player in making things happen in our nation's ports and harbors is the Corps of Engineers.*

**Lt. Col. Torrey DiCiro, P.E.**  
Commander and District Engineer  
San Francisco District, U.S.A.C.E.  
[torrey.diciro@usace.army.mil](mailto:torrey.diciro@usace.army.mil)

#### **MOTEMS- The next phase...**

*Now that all California terminals have submitted their audits, what has been learned that will help ease the load on the Division as well as the terminal operators and their consultants?*

**Martin Eskijian, P.E.**  
Engineering Branch Supervisor  
CSLC Marine Facilities Division  
[eskijim@slc.ca.gov](mailto:eskijim@slc.ca.gov)

#### **Japan Earthquake and Tsunami**

**Marc Percher, P.E**  
Senior Engineer, Maritime Business Group  
Halcrow, Inc  
[epercherMI@halcrow.com](mailto:epercherMI@halcrow.com)

#### **Bringing Our World and Work to Sacramento's Attention - Wake Up and See the Successes and Challenges**

*The changes taking place in state government are not only a product of the elections, but of the economic situation as well. What can we expect from the state capitol in the coming months and years?*

**Norman Fassler-Katz**  
Senior Consultant, California Senate  
Transportation Sub-Committee on Ports  
And Goods Movement  
[norman.fassler-katz@sen.ca.gov](mailto:norman.fassler-katz@sen.ca.gov)

#### **Vessels as Vectors: A Big Picture View**

*While we are making great strides in reducing the risk of non-indigenous species introductions through management of ballast water, it's important to realize that vessel bio-fouling has been as important to introductions in California and elsewhere around the world*

**Chris Scianni**  
Staff Environmental Scientist  
CSLC Marine Facilities Division  
[chris.scianni@slc.ca.gov](mailto:chris.scianni@slc.ca.gov)

#### **The EPA Vessel General Permit**

*EPA is already planning for the reissuance of the VGP and what may change in the next permit. How you could be affected by the EPA/Coast Guard MOU on VGP enforcement.*

**Eugene Bromley**  
NPDES Permits Office  
USEPA Region IX  
[bromley.eugene@epa.gov](mailto:bromley.eugene@epa.gov)
